2018 Camper Registration

Registration Basics:

1. Read over [rooms and pricing information](#)
2. Fill out the registration form (button located below)
3. Pay your entire balance or camp deposit through Paypal
4. Once you have paid the deposit, come back any time prior to camp and use the "pay remaining balance" button located below to finalize your registration

Registration for the Summer 2018 session of Blue Ridge Running Camp will be done entirely online. Please read the directions carefully and make sure to call or email using the information at the bottom of this page if you have any questions.

First, please make sure you have read through the [rooms and pricing information](#) before beginning registration.

You will have the option of paying your full camp fee or just a \$100 deposit at the time of registration. This money can be refunded, minus a \$25 processing fee, prior to July 3, 2018. After this point, refunds will only be issued with a doctor's note detailing injury.

Rates are based on the type of room you choose and the total number of athletes attending camp from your school. Discounts are given to those schools that have 7 or more athletes in attendance.

If you are staying in a standard room (2 people), you will only be required to provide your information and pay for your portion of the camp fees at the time of time of registration. You may also list **one** person as your preferred roommate. Both campers must have listed the other person in order to be roomed together.

If you are staying in a team suite (4-6 people), your spot will not be confirmed until all campers have completed the registration form and have paid their deposit. **If the suites sell out before every camper in your group has paid, the deposit will be applied to a standard room.** Please note there are no 6 person female suites.

If you have already paid your initial deposit and would like to pay your remaining camp balance, you do not need to go back through the entire process. Please use the appropriate button below to pay your remaining balance.

You will have the option of paying using an e-check, credit card, or debit card. All payments are processed securely using PayPal. You do not need a PayPal account in order to use the online payment feature.

Please note you will need a copy of your insurance card in order to be able to complete registration.
