

Chantilly High School Athletic Booster Club 2015 - 2016 Athletic Booster Membership Application

Thank you for joining the Chantilly HS Athletic Booster Club. Our goal is to provide the highest level of support to our Student-Athletes on 42 teams participating in 19 sports. Booster passes are good for all regular season home events across all sports--great value considering there are 200 home athletic events!

Your membership also includes an open invitation to attend all Athletic Booster Meetings—all are welcome! On the back this form is a list of all Athletic Booster Committees. Please consider volunteering your time and talents on one of our committees—we look forward to hearing from you!

Chantilly High School Athletic Booster Club

The Chantilly High School Athletic Boosters supports our student-athletes throughout the entire school year, and the program's success is attributed to its wonderful committee chairpersons and volunteers. We are grateful that Fairfax County funds coaches stipends, game officials, and transportation for teams. However, funding to cover all other athletic program/team expenses must come from other means. This challenge is met by a combination of resources--gate receipts, team fundraising, Athletic Booster passes, and Athletic Booster Committee-sponsored events and activities. Below are brief descriptions of the roles of each committee. Check the one(s) that interest you and thank you for your support! Sincerely, The CHS Athletic Booster Executive Board Members

Corporate Sponsor Activities-organize and assist with the corporate sponsor program.

Concessions-assist with concession sales after school, at special events, and at all athletic events.

Booster Store-assist with sale of CHS booster merchandise at various events.

Craf Fair-assist with set-up, breakfast set-up, lunch delivery, booth breaks, and clean-up.

Chantilly Classic Winter Basketball Tournament-organize and assist with a variety of activities supporting the basketball tournament during winter break.

Field Maintenance-assist with improving quality of common grounds surrounding athletic fields.

Membership-assist with Athletic Booster membership drive at various events.

Hospitality-assist with club supported sports awards nights and all home activities; help plan & arrange seasonal activities to promote booster membership.

Publicity-assist with promoting activities via newspapers, media, and internet.

Programs-assist with the production of programs for distribution/sale at fall, winter, & spring events.

Co-Op Programs & Community Outreach-assists with building positive working relationships and joint projects/programs with other CHS activities as well as community organizations (i.e. the Chantilly Youth Association.)

Yes! I am interested in volunteering on the above checked committee(s)—contact information follows:
